OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*I ain't never hauled hay in the trunk of my car

But I drink a little 'shine from a mason jar

Left allemande the corner, turn partner by the right

Left allemande the corner and you **weave** all right

I like monster trucks, tractor pulls and county fairs

Swing your girl around and **promenade** from there

And that's the way I'm gonna be till the day I die

Cause I'm C.O.U.N.T.R.Y.

FIGURE Basic, corner progression

Heads square thru four hands go round

Make a right hand star, turn the star I say

Heads star left in the middle that way

And with the same two go **right & left thru**

Touch 1/4, split circulate two times

Swing the corner, promenade in time

I'm genuine certified true and tried

Cause I'm C.O.U.N.T.R.Y.

ALTERNATE LYRICS

*My baby looks hot in her high heel shoes

She looks even cooler in her cowboy boots

*She like boogie woogie, reggae, rap, pop and soul

But if you really want to know what drives her wild

It's C.O.U.N.T.R.Y

*You might not know it by the way I talk

I might not show it by the way I walk

But I know how to work and how to have fun

And that's the way I'm gonna be till the day I die
