

Flowers On The Wall (ESP 1049) Elmer Sheffield, Jr.

OPENER Basic

Circle left

*I keep hearing you're concerned about my happiness
All that thought you're giving me is conscience I guess

Left allemande that corner girl, **turn a right hand round your own**

Left allemande the corner and you **weave** around you run

Counting flowers on the wall, that don't bother me at all

Swing that girl around and then **promenade** around the hall

Smokin' cigarettes and watching Captain Kangaroo

Now don't tell me, I've nothing to do

ALTERNATE LYRICS

*Last night I dressed in tails pretending I was on the town
As long as I can dream it's hard to slow this swinger down

*It's good to see you and I know that I must look a fright
Anyway my eyes are not accustomed to the light

FIGURE (twice for heads, twice for sides)

Head two couples promenade go halfway round the floor

Walk to the middle and **square thru**, you count to four

Four hands around and a **right & left thru** turn the girl

Pass thru, trade by, touch 1/4 then

Scoot back and the boys fold, girls **scoot back**

Star thru with the corner, **promenade** around the track

Smokin' cigarettes and watching Captain Kangaroo

Now don't tell me, I've nothing to do
