

Down The Road (ESP 1070) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

I do believe there will be

Waiting for me somewhere down the road

Men star right, roll it round now

Left allemande then **weave around the ring**

*Another song worth the singing

Swing your girl and **promenade**

And if the way seems long and slow

Remember as you go

There's a song worth singing down the road

ALTERNATE LYRICS

*Another friend worth knowing

*Another day worth living

FIGURE Plus, corner progression

Heads couples **promenade go halfway**

Walk in and square thru four hands I say

Go all the way and a **right & left thru** now

Veer over to the left and **couples circulate**

Half tag, follow your neighbor and spread

Men run right, take her hand and **promenade**

And if the way seems long and slow

Remember as you go

There's a song worth singing down the road
