

It's 5 O'Clock Somewhere (ESP 1077) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*The sun is hot and that ol' clock is moving slow
And so am I

Men star right, roll it round now

Left allemande then **weave around the ring**

Pour me something tall and strong

Make it hurricane before I go insane

It's only half past twelve but I don't care

It's five o'clock somewhere

ALTERNATE LYRICS

*This workday passes like molasses in the wintertime
But it's July

*This lunch break is gonna take all afternoon
And half the night

FIGURE Plus, corner progression

Heads square thru roll it round the track

You **make a right hand star**

Heads star left inside to the corner go

Swing thru, boys trade, hinge one quarter

Scoot back, do that again

Swing the corner girl and **promenade**

It's only half past twelve but I don't care

It's five o'clock somewhere

FIGURE

Heads couples **promenade go halfway**

Walk in and square thru four hands I say

Go all the way and a **right & left thru** now

Veer over to the left and **couples circulate**

Half tag, follow your neighbor and spread

Men run right, take her hand and **promenade**

It's only half past twelve but I don't care

It's five o'clock somewhere
