

Long Black Train (ESP 1080) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*There's a long black train, comin' down the line

Feeding off the souls that are lost and cryin'

Left allemande your corner, **turn partner by the right**

Left allemande the corner then **weave** around tonight

Cause there's victory in the Lord, I say

Victory in the Lord

Cling to the Father and His Holy name

And don't go ridin' on that long black train

ALTERNATE LYRICS

*There's an engineer on that long black train

Makin' you wonder if the ride is worth the pain

*Well I can hear the whistle from a mile away

It sounds so good, but I must stay away

FIGURE Basic, corner progression

Heads promenade go halfway around

Walk in a right & left thru, turn the girl around

Flutter wheel across, then **sweep 1/4** more

Pass thru and a **right & left thru**, turn the girl once more

Touch 1/4, split circulate two times

Swing the corner girl and you **promenade**

Cling to the Father and His Holy name

And don't go ridin' on that long black train
