OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

Nighttime in the city

*Baby can you feel that beat?

Walk all around your corner, see saw your own

And now the **men star right** you see

You do a **left allemande the corner**

Swing and **promenade** your own

She don't say nothing

But baby makes her blue jeans talk

FIGURE Mainstream, corner progression

Heads promenade and **go halfway** around you know

Down the middle do the **right and left thru**

Flutter wheel across the floor, **sweep 1/4** more

Pass thru and then **slide thru**, go **right & left thru**

Dixie style and **make your wave, boys cross fold**

Swing your corner, **promenade on home**

She don't say nothing

But baby makes her blue jeans talk

She don't say nothing

But baby makes her blue jeans talk
