

You Can Have Her (ESP 1101) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER Basic

All **four ladies promenade once around** the ring
Go back and give your man a big ol' **swing**
Join up hands, circle go movin' around
Left allemande the corner, then **weave** on down
You can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
And all I wanted was love to stay

FIGURE Mainstream, corner progression

Head (side) couples promenade go 1/2 round now
Come down the middle, right & left thru
Square thru go four, rollin' round the floor
Meet the corner girl, **touch 1/4**,
Split circulate, hinge and **swing thru**
Turn thru, left allemande and **promenade**
She only wanted someone to play with
While I wanted true love to stay
