

Strangers In The Night (ESP 1140) Elmer Sheffield

OPENER

Circle Left

Strangers in the night, exchanging glances
Wandering in the night, what were the chances?
Left Allemande the corner, Dosado you own
Left Allemande and Weave The Ring
Ever since that night, we've been together
Swing your girl around and Promenade
We'll be sharing love before the night is through.

FIGURE

Heads Square Thru count 'em 4 hands round
You make a Right Hand Star
The Heads Star Left, roll it one time and then
Same pair and do a Dosado
Swing Thru and then the Boys Trade
Swing the corner lady round and Promenade
Something in my heart told me I must have you.

MIDDLE BREAK

Circle Left

Something in your eyes was so exciting.
Something in your smile was so inviting
Left Allemande the corner, Dosado you own
Left Allemande and Weave The Ring
Something in your smile was so exciting
Swing your girl around and Promenade
We'll be sharing love before the night is through.

CLOSER

Circle Left

Ever since that night, we've been together
Lovers at first sight, in love forever
Left Allemande the corner, Dosado you own
Left Allemande and Weave The Ring
Strangers in the night, exchanging glances
Swing your girl around and Promenade
It's turned out all right for strangers in the night.
