

## Misty (ESP 146) Elmer Sheffield, Jr., Tony Oxendine

---

### OPENER - CLOSER Basic

#### Circle left!

Look at me, I'm as helpless as a kitten up a tree

**Walk around your corner** girl, **seesaw your own**

**Allemande** the corner girl, then **weave** around you roam

On my own, should I wander thru this wonderland alone

**Swing your girl** and you **promenade**

I can't understand, I'm so misty holding your hand

### FIGURE Mainstream, R-H lady progression

**Heads square thru** and take 'em four

All the way around you **dosado** and **make your wave**

Do a **spin chain thru** and **girls circulate and go 2**

Meet those boys, **turn thru**,

**Allemande left, walk by one**, and **swing the next & promenade**

My head's in a cloud, I get misty too much in love

### MIDDLE BREAK Basic

#### Circle left!

Walk my way, and a 1000 violins begin to play

**Walk around your corner** girl, **seesaw your own**

**Allemande** the corner girl, then **weave** around you roam

On my own, should I wander thru this wonderland alone

**Swing your girl** and you **promenade**

I can't understand, I'm so misty holding your hand

### TAG

**Ladies chain across and back**

I'm so misty, too much in love
