

Somebody Stole My Gal (ESP 184) Elmer Sheffield, Jr.

OPENER - MIDDLE BREAK - CLOSER

Four ladies circle to the left inside
Now **circle to the right** go round
Turn your partner right all the way to the corner and go
Left allemande then **weave the ring**, you know
The kisses we had shared
Swing your girl, promenade from there
I'm broken hearted now
Somebody stole my gal

FIGURE Plus, corner progression

Head couples promenade halfway
Come in and **star thru** I say
Do a **double pass thru**, then **track 2** you know
All the way around, catch your wave you go
Then **boys circulate**, the **girls circulate**
All eight circulate, swing and **promenade**
I'm broken hearted now
Somebody stole my gal
