

## Those Good Ol Dreams (ESP 189) Tony Oxendine

---

### OPENER - MIDDLE BREAK - CLOSER Basic

**Four ladies chain** the ring  
You turn and **chain your lady home** I sing  
**Join hands** and **circle** go walkin' around  
**Left allemande** and you **weave the ring**  
\*Why it's a good day for those good ol' dreams  
**Swing the girl** and you **promenade** the ring  
It's a good day for those good ol' dreams  
All my life I've dreamed of you

### FIGURE (heads twice, sides twice) Mainstream, corner progression

**Heads square thru** in the middle of the ring now  
**Dosado** that corner girl  
You **swing thru** and then why don't you **spin the top**  
Move up and do the **right & left thru**  
**Square thru**, go **3/4** round now  
You **swing** the honey there and you **promenade**  
I'm looking at you now, I feel it in my heart  
Finding answers to all of my prayers

### ALTERNATE LYRICS

\*Same ol' story but a different scene
