

Nobody's Sweetheart Now (ESP 211) Bob Van Antwerp

OPENER - MIDDLE BREAK - CLOSER Basic

Four ladies promenade inside of the ring
 Get home and **star thru, circle left** I sing
 You **circle left** for just a little while
Allemande left the corner lady, **weave the ring**
 Weave in and out until you meet again
Swing her once around and **promenade**
 It really must seem wrong somehow
 Because she's nobody's sweetheart now

FIGURE (twice for heads, twice for sides) Mainstream, corner progression

Heads square thru it's four hands I say
 Meet the corners all and **swing thru** that way
Boys gonna run, bend that ol' line
 Go **forward up and back**, a **right and left thru**
 Then **pass the ocean** there, **recycle** my friend
Swing your corner girl and **promenade**
Promenade, oh what a gal
 But she's nobody's sweetheart now

TAG

I say she's nobody's sweetheart now
