

1,2,3, Fly Away (ESP 215) Tim Marriner

OPENER - MIDDLE BREAK - CLOSER

Dance **all around your corner** and **see saw round your own**
Boys star by the right in the middle, **full turn** towards home
Pass your partner, allemande left with your corner waiting there
Bow to the partner when you're home, **sides face grand square**
1, 2, 3, like a bird I sing
Cause you've given me the most beautiful set of wings
I'm so glad that you're here today
Cause tomorrow I might have to go and fly away

FIGURE

The **heads (sides) pass the ocean** and then **extend**
Swing thru, two by two, the **boys run right** my friend
Ferris wheel and a **right and left thru**, then you do an **8 chain 3**
1, 2, 3, like a bird I sing
Allemande left this corner, come back and **promenade** the ring
I'm so glad that you're here today
Cause tomorrow I might have to go and fly away
