

Howlin' At The Moon (ESP 218) Tim Marriner

OPENER - MIDDLE BREAK - CLOSER

Four ladies promenade in the middle of the ring

Come on back, **swing** and whirl the man around

Join all the hands and **circle to the left**

Allemande left the corner and **weave the ring**

Take a little time for sunshine, take a whole lotta time for love

***Swing** your lady waitin' right there and **promenade** your love

Take your life as it may come, 'cause boy, it'll be gone soon

Take a little time for howlin' at the moon
