

# Ease The Fever (ESP 501) Bob Newman

---

## OPENER Mainstream

### Sides face, grand square

Let your tears fall on my shoulder

Put your arms around me tight

Yesterday is gone forever

Let's make tomorrow start tonight

**4 ladies promenade inside** the ring

Back home, **swing** and **promenade**

Hold me closer, let me love your tears away

And ease the fever and erase the pain

### FIGURE C4, corner progression

**Heads promenade** and **go halfway** around

Same pair **pass the ocean** there, **extend**

**Swing thru** and then **spin the top**

Boys move up and do a **curlique**

**Girls run** right, **square thru 3/4** round

Do a **U-turn back**, **swing** the corner, **promenade**

Hold me closer, let me love your tears away

And ease the fever, and erase the pain

### MIDDLE BREAK - CLOSER Basic

**4 ladies chain** go straight across the ring

You **roll away** and **circle left**

**4 ladies roll away**, **circle left** I say

**Left allemande** and **weave the ring**

**Weave** it in and out go moving round the ring

Do a **dosado** and **promenade**

Hold me closer, let me love your tears away

And ease the fever, and erase the pain
