

# I Wish I Was In Nashville (ESP 504) Bob Newman

---

## OPENER Basic

### Circle left

I went to see my honey dew  
She lives right down the way  
I got stuck & my truck froze up  
And I only got 1/2 way

Hey **walk around that corner** lady, **seesaw your own Allemande left** with the corner girl & **weave around the ring**

Well, I wish I was in Nashville, a guitar on my back

**Swing** your honey round & **promenade** you don't look back go  
(Music)

### FIGURE Mainstream, corner progression

Well the **heads (sides) square thru 4** hands around you go  
Gonna meet the sides & a **right & left thru**  
Turn the girl you know

**Swing thru** go down the way, **boys run** to the right

You **tag the line**, **face to the right**, **boys cross run**, far right

**Bend the line** and **square thru 3**

**Swing** that corner lady there & **promenade** for me go  
(Music)

## MIDDLE BREAK Basic

### Circle left

Well it must have been 1/2 a day  
Before I got back home  
The roads all mud, the creek's gonna flood  
And I'm still here alone

Hey **walk around that corner** lady, **seesaw your own Allemande left** with the corner girl & **weave around the ring**

Well, I wish I was in Nashville, a guitar on my back

**Swing** your honey round & **promenade** you don't look back go  
(Music)

## CLOSER Basic

### Circle left

Gonna get out my old fender  
And learn me another chord  
Gonna pick and grin, play to win  
Like I done it all before

Hey **walk around that corner** lady, **seesaw your own**

**Allemande left** with the corner girl & **weave around the ring**

Well, I wish I was in Nashville, a guitar on my back

**Swing** your honey round & **promenade** you don't look back go

(Music)

### **TAG**

Hey **bow** down low to the honey of the hall

And **bow** to the corner, that's all
