

# I Still Love You In The Same Old Way (ESP 506) Bob Newman

---

## OPENER - MIDDLE BREAK Mainstream

### Sides face, grand square

\*I saw you for the first time in a long time yesterday

I felt it all again, but couldn't think of much to say

**4 ladies promenade, go once inside** the ring

Back home, you **swing** and **promenade**

I still love you in the same old way

### FIGURE Basic, corner progression

**Heads promenade halfway** around the ring

**Come down the middle** with a **right & left thru**, turn the girl

**Flutter wheel** across and then you **sweep 1/4** more

**Pass thru** and **dosado make a wave**

**Swing thru, boys trade, boys run**

Do a **partner trade** and **promenade**

I still love you in the same old way

### ALTERNATE LYRICS

\*I packed my memories and sent them sailing on the wind

But seeing you has brought them blowing through my mind again

### CLOSER Basic

**4 boys promenade go once around** the ring

Back home and **swing** with your own

**Join hands** and **circle** go walking round the ring

**Left allemande** your corner, **weave the ring**

You **weave** it in and out and when you meet your maid

**Dosado** and then you **promenade**

I still love you in the same old way
