OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

*The sun's coming up and I'm staring at a cup of tequila
Hey **walk around that corner, see saw your own**
Left allemande, then **weave around that ring**
There's a dark eyed lady, waiting alone in Biloxi
Dosado and you **promenade**
Seaboard highway, take this boy back home

FIGURE Mainstream, corner progression

Now the **heads square thru** count 'em 4 hands around
Go round the corner lady **dosado**
You **swing thru** tonight, **boys run right**
Tag the line, face to the right and then
Ferris wheel, the **centers pass thru**
Swing that corner lady round and **promenade**
Seaboard highway, take this boy back home
