

Four In The Morning (ESP 527) Bob Newman

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

It's four in the morning and once more the dawning

Just woke up the wanting in me

Men star right, go rollin' round tonight

Left allemande and **weave the ring**

*I don't deserve her but God knows I love her

Swing your girl and you **promenade**

It's four in the morning and once more the dawning

Just woke up the wanting in me

FIGURE Mainstream, corner progression

Heads square thru four hands around you go

Dosado around the corner girl

Swing thru tonight, **boys run right**

Bend the line and do the **right & left thru**

Flutter wheel across, then **slide thru**

Swing your corner and **promenade**

It's four in the morning and once more the dawning

Just woke up the wanting in me

ALTERNATE LYRICS

*I saw more love in her eyes when I left her
