

Transportation Medley (ESP 902) Steve Kopman

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

I've been working on the railroad

All the live long day

Left allemande the corner, dosado your own

Left allemande then **weave the ring**

Can't you hear the whistle blowing

Swing your girl and **promenade**

Can't you hear the captain shouting

Dinah blow your horn

FIGURE Plus, corner progression

Heads square thru four hands around

Meet your corner do a **dosado**

Make an ocean wave and then, **explode the wave**

Chase to the right, let's go

Boys run right then **square thru three**

Swing your corner and **promenade**

*Then we'll drop both our oars

Take a few more encores

And then we'll row, row, row

*You can go as far as you'd like with me

In my merry Oldsmobile
