

The Trolley Song (ESP 914) Steve Kopman

OPENER - MIDDLE BREAK - CLOSER Basic

Circle left

Clang, clang, clang went the trolley

Ding, ding, ding went the bell

You do an **allemande left** your corner, run home a **dosado**

Well the **men star left** in the middle so well

Full turn around you **turn your partner by the right**

Allemande left, come back **swing** and **promenade**

She asked my name, I held my breath

I couldn't speak because she scared me half to death

FIGURE Mainstream, corner progression

Well the **heads** you **promenade** you travel **halfway**

Walk into the middle and do the **right & left thru**

Square thru 4 hands, you move it round the floor

Dosado the corner girl and **make an ocean wave**

Scoot back, scoot back again

Swing that scooter round and **promenade** my friend

She asked my name, I held my breath

I couldn't speak because she scared me half to death
